

Product Compendium 2021

Complete product list Guidance Support resources

Our purpose is to give patients the **best experience possible** of medical nutrition whilst delivering the most **innovative solutions** and **better value** to the healthcare professional.

Founded in 2012 by dietitian Paul Gough, Nualtra is a dedicated supplier of medical nutrition and currently the fastest growing nutrition company in the UK & Ireland.

Lactose free is defined in our products as containing < 0.5g/100ml or 100g

Strawberry and Blackcurrant flavours are not suitable. All other flavours do not contain any ingredients that are forbidden in the Halal or Kosher diets; however, the manufacturing Strawberry and Blackcurrant flavour contains colouring E120, which is also known as cochineal or carmine, and is not suitable for many vegetarians process is not observed by the relevant religious body

Halal certified. Does not contain any ingredients that are forbidden in the Kosher diet, however, the manufacturing process is not observed by the relevant religious body. Does not contain any ingredients that are forbidden in the Halal or Kosher diets; however, the manufacturing process is not observed by the relevant religious body Halal and Kosher certified. Does not contain any ingredients that are forbidden and the manufacturing process has been observed by a relevant religious body. w 4. r.

Oral Supplement Range

Product details and nutritional composition

Altrajuce

Altrajuce is a Food for Special Medical Purposes for use under medical supervision.

- ◆ A ready to drink, juice style oral nutritional supplement containing 300kcal and 7.8g protein in 200ml.
- ◆ May be used to supplement a patient's dietary intake. Not suitable as a sole source of nutrition.
- ◆ Available in 200ml tetra. Starter pack also available including 4 x 200ml tetra.

Flavours: Available in Apple, Blackcurrant, Orange and Strawberry flavours.

Allergen information: Contains milk protein. Gluten free, lactose free and soya free.

Indications: For enteral use only. Must be used under medical supervision. May be used for the dietary management of patients with or at risk of developing disease related malnutrition as determined by appropriate nutritional screening.

Contraindications: Not suitable for children under 3 years. Not suitable for patients with Galactosaemia or in patients with cow's milk protein allergy.

Precautions: Not suitable for use in children under 3 years and use of this product in children under 6 years should be closely monitored by a dietitian or physician.

Directions for use: Ready to drink. Altrajuce can be consumed frozen, chilled, at room temperature or gently heated.

Shake well before use.

Storage: Altrajuce should be stored in a cool, dry place (below 25°C). Once opened consume within 4 hours or store in a refrigerator and consume within 24 hours. Discard unused contents thereafter.

Shelf life: 12 months from manufacture. See side of tetra for best before date.

Country of origin: Germany.

This product is packaged in a protective atmosphere.

INGREDIENTS:

For all other flavours please see individual packaging.

APPLE: Water, Glucose syrup, Sugar, Maltodextrin, Cow's **milk** proteins, Acidity regulator: Citric acid, Phosphoric acid, Hydrochloric acid, Potassium chloride, Magnesium chloride, Sodium chloride, Calcium chloride, Choline bitartrate, Sodium L-ascorbate, Flavouring, Minerals (Iron lactate, Zinc sulphate, manganese sulphate, copper sulphate, sodium fluoride, chromium chloride, sodium molybdate, Sodium selenite, Potassium iodide) Vitamins (Ascorbic acid, DL-α-tocopherol acetate, Nicotinamide, Retinol acetate, Calcium-D-pantothenate, Cholecalciferol, Thiamine mononitrate, Pyridoxine hydrochloride, Riboflavin, Vitamin K, Folic acid, Biotin, Cyanocobalamin).

Altraplen Compact is a Food for Special Medical Purposes for use under medical supervision.

- ◆ A ready to drink, milkshake style oral nutritional supplement containing 300kcal and 12g protein in 125ml
- May be used as a sole source of nutrition or used to supplement a patient's dietary intake.
- ◆ Available in 4 x 125ml cluster packs. Starter pack also available including 4 x 125ml bottles.

Flavours: Available in Vanilla, Strawberry, Hazel Chocolate and Banana flavours.

Allergen information: Contains milk protein and soya. Hazel Chocolate only - contains Sulphites. Gluten free and lactose free.

Indications: For enteral use only. Must be used under medical supervision. May be used for the dietary management of patients with or at risk of developing disease related malnutrition as determined by appropriate nutritional screening.

Contraindications: Not suitable for children under 3 years. Not suitable for patients with Galactosaemia or in patients with cow's milk protein allergy.

Precautions: Not suitable for use in children under 3 years and use of this product in children under 6 years should be closely monitored by a dietitian or physician.

Directions for use: Ready to drink. Altraplen Compact can be consumed frozen, chilled, at room temperature or gently heated.

Shake well before use.

Storage: Altraplen Compact should be stored in a cool, dry place (below 25°C). Once opened consume within 4 hours or store in a refrigerator and consume within 24 hours. Discard unused contents thereafter.

Shelf life: 12 months. See side of bottle and outer packaging for best before date.

Country of origin: France.

This product is packaged in a protective atmosphere.

INGREDIENTS:

For all other flavours please see individual packaging.

VANILLA: Milk protein concentrate, Water, Glucose syrup, Rapeseed oil, Sucrose, Milk protein, Soya protein, Magnesium citrate, Sodium hydrogen phosphate, Tripotassium citrate, Emulsifier: Mono and diglycerides of fatty acids (E471), Potassium Chloride, Potassium phosphate, Choline chloride. Vitamins: (Ascorbic acid, Vit A acetate, Nicotinamide, D-biotin, Vit D3, Vit B12, Pyridoxine HCI, Vit K, Thiamine mononitrate, Ribioflavin, Vit E acetate, Calcium D pantothenate, Folic acid), Flavouring, Potassium hydroxide, Trisodium citrate, Colour: Natural carotene, Ferric pyrophosphate, Zinc sulphate, Sodium selenite, Manganese sulphate monohydrate, Copper sulphate, Sodium fluoride, Chromium chloride, Sodium molybdate, Potassium iodide.

Foodlink Complete

Foodlink Complete is a Food for Special Medical Purposes for use under medical supervision.

- A nutritionally balanced, powdered supplement.
- To be used to supplement a patient's dietary intake. Not suitable as a sole source of nutrition.
- ◆ Available in 7 x 57g cartons. Starter pack also available including 5 x 57g sachets and a Nualtra shaker.
- Available in 57g sachets or a 1596g tub.

Flavours: Available in Vanilla, Strawberry, Chocolate, Banana and Natural flavours.

Allergen information: Contains milk (protein and lactose) and soya. Gluten free.

Indications: For enteral use only. Must be used under medical supervision. May be used for the dietary management of patients with or at risk of developing disease related malnutrition as determined by appropriate nutritional screening.

Contraindications: Not suitable for children under 3 years. Not suitable for patients with Galactosaemia or in patients with cow's milk intolerance or allergy. **Precautions:** Not suitable for use in children under 3 years and use of this product in children under 6 years should be closely monitored by a dietitian or physician.

Storage: Foodlink Complete should be stored in a cool, dry place. Once reconstituted Foodlink Complete can be stored in a refrigerator for up to 24 hours. Discard unused contents thereafter.

Shelf life: 24 months from date of manufacture. See individual sachet and outer packaging for best before date.

Country of origin: Ireland.

This product is packaged in a protective atmosphere. Foodlink Complete can be consumed chilled, at room temperature or gently heated.

Directions for use: You will need a large glass, mug or Nualtra Shaker and 200ml of whole milk, juice or water* depending on what your Health Care Professional has recommended.

- ◆ Add 200ml of liquid to the shaker or glass and 1 x 57g sachet of Foodlink Complete.
- Whisk or mix well with a fork. Serve when fully mixed.
- Alternatively, if using a Nualtra shaker Add 200ml liquid to the shaker along with 1 x 57g sachet of Foodlink Complete.
- Close lid and shake vigorously until powder the is dissolved.

*Foodlink Complete can also be mixed with semi-skimmed or skimmed milk, fruit juices or water. If making Foodlink Complete using alternative liquids, please note that the nutritional profile will vary.

INGREDIENTS:

For all other flavours please see individual packaging.

STRAWBERRY: Fat filled milk Powder (Skim milk solids, Refined palm oil, Sugar, Soya lecithin, Vitamin A, Vitamin D3) Skimmed milk powder, Maltodextrin, Caster sugar, Natural colour (Beetroot powder), Flavourings, Vitamin and mineral blend (Magnesium oxide, Ascorbic acid, Ferric pyrophosphate, DL-a-tocopherol acetate (Vitamin E), Nicotinamide, Phytomenadione (Vitamin K1), Zinc oxide, Copper gluconate, Calcium D-pantothenate, Retinyl acetate (Vitamin A), Manganese Sulphate, Pyridoxine hydrochloride, Thiamine mononitrate, D-biotin, Vitamin D3, Riboflavin, Folic Acid, Potassium iodide, Sodium selenite, Chromium chloride).

Nutritionally complete volumes based on Ireland Recommended Dietary Allowances, Food Safety Authority of Ireland 1999 (excluding electrolytes)

Online Sample Service

Nualtra offer a free-of-charge sample service for clinicians that allows you to order products delivered either direct to your patients or to dietetic departments.

Nualtra Starter Packs are product-specific and are available for patients to try different flavours before requesting their preferred choice via their nearest pharmacy whilst also allowing the clinician to review compliance to a particular type of ONS.

Direct-To-Patient

Nualtra offer a next day delivery service for direct-to-patient samples ordered before 2pm. This service offers starter packs only and enables your patients to start ONS treatment as soon as possible following consultation.

HCP Samples

If your preference is to keep a stock of samples within your department to give to patients directly, use the HCP service where you can order specific flavours or starter packs.

Fully Mobile Responsive

The Nualtra Sample
Website is fully mobile
responsive meaning you
can order your patient samples
from your smartphone with the same
simple usability and speed as you expect
from your desktop computer.

ForefrontRx.com

Better insights and greater transparency

As the NHS continues its focus to get better value from medical nutrition prescribing, greater demands for cost efficiencies will be placed on GPs, medicines management and dietitians.

ForefrontRx.com is a dedicated platform for Adult ONS (Oral Nutritional Supplements) prescribing data, offering better insights and greater transparency of the savings opportunities in your organisation or department. To give to patients directly, use the HCP service where you can order specific flavours or starter packs.

- Review your CCG's / Health Board's prescribing behaviour for medical nutrition, analysing trends in spend and volume.
- Identify highest spending GP practices and view potential savings opportunities at practice level.
- Compare your CCG versus demographically similar CCGs to understand how cost effective you are (England only).
- Access the Forefront toolkit including Standard Operating Procedures, Hospital Discharge Protocols, GP System Templates, Case Studies.
