

Product Compendium 2025

Complete product list Guidance Support resources

Our purpose is to give patients the **best experience possible** of medical nutrition whilst delivering the most **innovative solutions** and **better value** to the healthcare professional.

Founded in 2012 by dietitian Paul Gough, Nualtra is a dedicated supplier of medical nutrition and is currently the fastest growing medical nutrition company in the UK & Ireland.

Altrajuce

Altrajuce is a Food for Special Medical Purposes for use under medical supervision.

- A ready to drink, juice style oral nutritional supplement containing 300kcal and 7.8g protein in 200ml.
- May be used to supplement a patient's dietary intake. Not suitable as a sole source of nutrition.
- Available in 200ml tetra. Starter pack also available including 4 x 200ml tetra.

Flavours: Available in Apple, Blackcurrant, Orange and Strawberry flavours.

Allergen information: Contains milk protein. Gluten free, lactose free and soya free.

Indications: For enteral use only. Must be used under medical supervision. May be used for the dietary management of patients with or at risk of developing disease related malnutrition as determined by appropriate nutritional screening.

Contraindications: Not suitable for children under 3 years. Not suitable for patients with Galactosaemia or in patients with cow's milk protein allergy.

Precautions: Not suitable for use in children under 3 years and use of this product in children under 6 years should be closely monitored by a dietitian or physician. **Directions for use:** Ready to drink. Altrajuce can be consumed frozen, chilled, at room temperature or gently heated.

Shake well before use.

Storage: Altrajuce should be stored in a cool, dry place (below 25°C). Once opened consume within 4 hours or store in a refrigerator and consume within 24 hours. Discard unused contents thereafter.

Shelf life: 12 months from date of manufacture. See top of tetra and outer packaging for best before date.

Country of origin: Germany.

This product is packaged in a protective atmosphere.

INGREDIENTS:

For all other flavours please see individual packaging. Refer to full data sheet on Nualtra.com.

APPLE: Water, Glucose syrup, Sugar, Maltodextrin, Cow's **milk** proteins, Acidity regulator: Citric acid, Phosphoric acid, Hydrochloric acid, Potassium chloride, Magnesium chloride, Sodium chloride, Calcium chloride, Choline bitatrtate, Sodium L-ascorbate, Flavouring, Minerals (Iron lactate, Zins sulphate, manganese sulphate, copper sulphate, sodium fluoride, chromium chloride, sodium molybdate, Sodium selenite, Potassium iodide) Vitamins (Ascorbic acid, DL-α-tocopherol acetate, Nicotinamide, Retinol acetate, Calcium-D-pantothenate, Cholecalciferol, Thiamine mononitrate, Pyridoxine hydrochloride, Riboflavin, Vitamin K, Folic acid, Biotin, Cyanocobalamin).

Altra**shot**

Altrashot is a Food for Special Medical Purposes for use under medical supervision.

- A low volume, energy dense liquid oral nutritional supplement containing 420kcal and 6g protein in 120ml. One bottle of Altrashot provides 3 x 40ml or 4 x 30ml doses.
- May be used to supplement a patient's dietary intake. Not suitable as a sole source of nutrition.
- Available in 4 x 120ml clusters. Starter pack also available including 2 x 120ml bottles.

Flavours: Available in Vanilla, Strawberry and Neutral flavours.

Allergen information: Contains milk protein. Gluten free, lactose free and soya free.

Indications: For enteral use only. Must be used under medical supervision. May be used for the dietary management of patients with or at risk of developing disease related malnutrition as determined by appropriate nutritional screening.

Contraindications: Not suitable for children under 3 years. Not suitable for patients with Galactosaemia or in patients with cow's milk protein allergy.

Precautions: Not suitable for use in children under 3 years and use of this product in children under 6 years should be closely monitored by a dietitian or physician. **Directions for use:** Ready to drink. Altrashot can be consumed frozen, chilled, room temperature or gently heated. Altrashot can be added to food and drink.

Shake well before use.

Storage: Altrashot should be stored in a cool, dry place (below 25°C). Once opened consume within 4 hours or store in a refrigerator and consume within 24 hours. Discard unused contents thereafter.

Shelf life: 12 months from date of manufacture. See side of bottle and outer packaging for best before date.

Country of origin: France.

This product is packaged in a protective atmosphere.

INGREDIENTS:

For all other flavours please see individual packaging. Refer to full data sheet on Nualtra.com.

VANILLA: Water, Glucose syrup, Milk proteins, Cream (milk), Rapeseed oil, Sugar, Oligofructose, Emulsifier (soya lecithin), Modified starch, Flavour, Minerals (Tripotassium citrate, Magnesium citrate, Potassium chloride, Disodium phosphate, Trisodium citrate, Tricalcium citrate, Sodium hydroxide, Ferrous lactate, Zinc sulphate, Sodium selenite, Copper sulphate, Manganese sulphate, Sodium fluoride, Chromium chloride, Sodium molybdate, Potassium iodide), Vitamins (Vitamin C, Niacin, Pantothenic acid, Vitamin E, Thiamin, Vitamin BG, Riboflavin, Vitamin A, Folic acid, Biotin, Vitamin K, Vitamin D, Vitamin B12).

1 Powder only 2 When reconstituted with 240ml whole milk

Foodlink

Currently only available in UK

Foodlink Smoothie is a Food for Special Medical Purposes for use under medical supervision.

- A powdered smoothie style oral nutritional supplement.
- To be used to supplement a patient's dietary intake. Not suitable as a sole source of nutrition.
- Available in 7 x 66g cartons. Starter pack also available including 4 x 66g sachets and a Nualtra shaker.

Flavours: Available in Orange & Mango, Red Berry, Peach, Tropical flavours.

Allergen information: Contains soya. Gluten free. Milk protein free. Lactose free. Suitable for vegetarians and vegans. May contain milk*.

Indications: For enteral use only. Must be used under medical supervision. May be used for the dietary management of disease related malnutrition as determined by appropriate nutritional screening.

Contraindications: Not suitable for children under 3 years.

Precautions: Use of this product in children

under 6 years should be closely monitored by a dietitian or physician.

Storage: Foodlink Smoothie should be stored in a cool, dry place. Once reconstituted Foodlink Smoothie can be stored in a refrigerator for up to 24 hours. Discard unused contents thereafter.

Shelf life: 24 months from date of manufacture. See individual sachet and outer packaging for best before date.

Country of origin: Ireland.

This product is packaged in a protective atmosphere. Foodlink Smoothie can be consumed chilled or at room temperature.

Directions for use if using a Nualtra shaker:

- Add 150ml water to the shaker and one sachet of Foodlink Smoothie.
- Replace the lid and shake vigorously for 20-30 seconds.
- Decant the mixture into a suitable vessel for drinking or storing in the refrigerator.

Directions for use if using a large glass or mug:

- Add 50ml water to the glass or mug and one sachet of Foodlink Smoothie.
- Mix into a smooth paste with a fork or whisk.
- Top up with the remaining 100ml water whilst continuing to mix.
- Serve when fully mixed.

INGREDIENTS:

For all other flavours please see individual packaging. Refer to full data sheet on Nualtra.com.

ORANGE & MANGO: Dried Glucose Powder, Sunflower Oil Powder (Refined Sunflower Oil, Acaia Fibres, Sunflower Lecithin, Ascorbyl-Palmitate, DI-alpha-tocopherol), Sugar, **Soy** Protein Isolate, Maltodextrin, Flavourings, Potassium Chloride, Xanthan Gum, Natural Colour (Beta Carotene), Mineral Blend (Calcium Carbonate, Magnesium Oxide, Ferric Pyrophosphate, Potassium Iodide, Copper Gluconate, Zinc Oxide, Manganese Sulphate and Sodium Selenite) and Vitamin Blend (Ascorbic Acid, Nicotinamide (Vitamin B3), DL-a-Tocopherol Acetate (Vitamin E), Calcium Pantothenate (Vitamin B5), Cholecalciferol (Vitamin D), Pyridoxine Hydrochloride (Vitamin B6), Thiamine Mononitrate (Vitamin B1), Aetinyl Acetate (Vitamin A), Riboflavin (Vitamin B2), Phytomenadione (Vitamin K), Folic Acid, Cyanocobalamnin (Vitamin B12) and D-Biotin)

Nutricrem

Nutricrem is a Food for Special Medical Purposes for use under medical supervision.

- A ready to eat, semi solid oral nutritional supplement containing 225kcal and 12.5g protein in 125g.
- May be used as a sole source of nutrition or used to supplement a patient's dietary intake.
- Available in 4 x 125g packs. Starter pack also available including 4 x 125g pots.

Flavours: Available in Vanilla, Strawberry, Chocolate Orange and Mint Chocolate flavours.

Allergen information: Contains milk protein and soya. Gluten free.

Indications: For enteral use only. Must be used under medical supervision. May be used for the dietary management of patients with or at risk of disease related malnutrition as determined by appropriate nutritional screening.

Contraindications: Not suitable for children under 3 years. Not suitable for patients with Galactosaemia or in patients with cow's milk protein allergy.

Precautions: Not suitable for use in children under 3 years and use of this product in children under 6 years should be closely monitored by a dietitian or physician. **Directions for use:** Ready to eat. Nutricrem can be consumed frozen, chilled, room temperature or gently heated.

Stir well before use.

Storage: Nutricrem should be stored in a cool, dry place (below 25°C). Once opened consume within 4 hours or store in a refrigerator and consume within 24 hours. Discard unused contents thereafter.

Shelf life: 12 months from date of manufacture. See top of pot and outer packaging for best before date.

Country of origin: France.

This product is packaged in a protective atmosphere.

INGREDIENTS:

For all other flavours please see individual packaging. Refer to full data sheet on Nualtra.com.

VANILLA: Milk protein concentrate, Water, Maltodextrin, Sucrose, Rapeseed oil, Calcium caseinate (Milk), Potassium caseinate (Milk), Starch (E1442), Emulsifier: Mono and diglycerides of fatty acids (E471), Isolated **soya** protein, Tripotassium citrate (E332), Trisodium citrate, Stabiliser: Carrageenan (E407), Flavouring, Magnesium chloride (E511), Potassium dihydrogen phosphate (E340), Magnesium citrate, Colour: Natural Carotene. Vitamins: (Ascorbic acid, Vitamin A acetate, Nicotinamide, D-biotin, Vitamin B12, Pyridoxine HCI, Vitamin K, Thiamine mononitrate, Riboflavin, Vitamin E acetate, Calcium D-pantothenate, Folic acid), Sodium chloride, Potassium chloride, Acidity regulator: Potassium hydroxide (E525), Sodium hydroxide (E524), Ferric pyrophosphate, Zinc sulphate, Copper gluconate, Sodium molybdate, Potassium idide

Nualtra offer a free-of-charge sample service for clinicians that allows you to order products delivered either direct to your patients or to dietetic departments.

Nualtra Starter Packs are product-specific and are available for patients to try different flavours before requesting their preferred choice via their nearest pharmacy whilst also allowing the clinician to review compliance to a particular type of ONS.

Direct-To-Patient

Nualtra offer a next day, full tracked delivery service for direct-topatient samples ordered before 2pm. This service offers starter packs only and enables your patients to start ONS treatment as soon as possible following consultation.

HCP Samples

If your preference is to keep a stock of samples within your department to give to patients directly, use the HCP service where you can order specific flavours or starter packs.

Fully Mobile Responsive

The Nualtra Sample Website is fully mobile responsive meaning you can order your patient samples from your smartphone with the same simple usability and speed as you expect from your desktop computer.

Ordering Samples

Visit our website: **www.nualtra.com** or scan the QR code to order HCP or Direct-to-patient samples.

ForefrontRx.com

Better insights and greater transparency

As the NHS continues its focus to get better value from medical nutrition prescribing, greater demands for cost efficiencies will be placed on GPs, medicines management and dietitians.

ForefrontRx.com is a dedicated platform for Adult ONS (Oral Nutritional Supplements) prescribing data, offering better insights and greater transparency of the savings opportunities in your organisation or department.

- Review your ICB's / Health Board's prescribing behaviour for medical nutrition, analysing trends in spend and volume.
- Identify highest spending GP practices and view potential savings opportunities at practice level.
- Compare your ICB versus demographically similar ICBs to understand how cost effective you are (England only).
- Access the Forefront toolkit including Standard Operating Procedures, Hospital Discharge Protocols, GP System Templates, Case Studies.
